CLOSET ROD

Rod for hanging clothes, creates good overview and easy access. Suitable for clothing storage in Click-in and Drawer system. Supplement with suitable holders depending on installation. Available in different widths. Can be cut to desired widths.

CLOSET ROD END CAPS

Caps to be placed at the end of a Closet rod to create a clean look. Comes in a 2-pack.

CLOSET ROD HOLDER

Holder for Closet rod, attached underneath Bracket click-ins with slots for Closet rod holder. Two closet rods can be joined in a holder for increased flexibility. Recommended distance between two closet rod holders is max 90 cm.

BRACKET COVER AND CLOSET ROD HOLDER

To be used when a Closet rod is placed on the side of a bracket to gain more hanging space. Bracket cover complete the clean look of the organised solution. Left and right Bracket covers are not interchangeable.

VALET ROD

Rod for hanging clothes on display or where depth of the space is limited, since the hangers are placed behind each other. Clicks into place under Wire shelf or Wire shelf basket. Available in different depths.

GLIDING TIE AND BELT RACK

Extendable tie and belt rack with hooks, creating space efficient overview and organisation of accessories, such as ties, belts, and scarves. Installed underneath a Wire shelf or Wire shelf basket.

DÉCOR EXPANDABLE VALET ROD

Expandable rod in steel for temporary hanging of clothing – such as next day's outfit. Pull back when not in use. Mounted with a screw on the front and rear edge of a Décor shelf 40 cm depth. Maximum load 8 kilos.

EXPANDABLE VALET ROD

Expandable valet hook suitable for temporary hanging and display of garments. Pull back when not in use. Installed under Wire shelf.

DÉCOR GLIDING PANT RACK

Gliding pant rack with parts in solid wood for storing pants. Creates a good overview and easy access. With non-slip details to keep pants in place. Easily clicks in place between two Bracket click-ins, no tools needed. Supplement with Bracket click-in 40.

GLIDING PANT RACK

Gliding pant rack for storing pants, creates a good overview and easy access. With non-slip rings to keep pants in place. Easily clicks in place between two Bracket click-ins, no tools needed. Supplement with Bracket click-in 40. Available in different sizes.

CLICK-IN SHOE RACK

Shoe storage for shallow spaces for good organisation. Suitable for shoes with heels. Comes with integrated brackets, mounted between two standards.

GLIDING SHOE SHELF MESH

Gliding shoe storage. Creates good overview and easy access. Suitable for shoes with flat soles and shoes with heels. Mounted between two standards. Supplement with Bracket click-in 40. Available in several sizes.

GLIDING SHOE SHELF MESH WITH DÉCOR FASCIA

Gliding shoe shelf mesh combined with a decorative wooden trim. Creates a warm, decorative, and premium look. Suitable for shoes with flat soles and shoes with heels. Gliding shoe shelf mesh and Décor fascia available in different widths. Supplement with Bracket click-in 40.

GLIDING SHOE RACK

Gliding shoe rack for storing shoes, creates a good overview and easy access. Suitable for shoes with heels. Easily clicks in place between two Bracket click-ins, no tools needed. Supplement with Bracket click-in 40. Available in different sizes.

DÉCOR BRACKET HOOK RACK

Hook rack in solid wood with 5 hooks, for easy access and flexible hanging of belts, ties, scarves, robes or jackets. Mounted on the side of a Bracket click-in 40.

BRACKET HOOK RACK

Hook rack for easy access and flexible hanging of belts, ties, scarves, robes or jackets. Mounted on the side of a Bracket click-in of the appropriate depth.

DÉCOR MIRROR

Mirror with wooden frame. Comes with integrated fittings, to be mounted between two standards. Safety film on backside of the mirror. Supplement with other Décor range for a complete and solid impression.

DÉCOR ACCESSORY SHELF

Accessory shelf with framework in solid wood. To keep your jewelry, small accessories and perfumes right in reach. Comes with integrated fittings, to be mounted between two standards. A perfect match underneath the Décor mirror, or elsewhere to store small items.

DÉCOR ACCESSORY TRAY

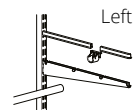

Accessory tray insert for easy access and organization of small items and jewellery. Choose from either a 12-section or 4-section tray, both in light grey velvet lining for a soft and nice touch. Designed to fit Mesh/Wire drawer (85 mm) with Décor gliding drawer frame or Décor drawer front.
